Spectemur Agendo 2024 Strategic Plan

In recent months, the Foundation has developed a strategic plan to outline the successes from the past two decades and the goals for the future. CLICK HERE to see the STRATEGIC PLAN.

2024 Feasibility Study

In recent weeks, all Beta Charge alumni should have received in the mail and via e-mail, copies of a Feasibility Study. We are not asking for money at this time. The plan is to pursue a capital campaign soon and in order to have a successful campaign, we need input from the brothers through this feasibility study. A successful campaign will ensure that we keep the house alive and thriving. If you have not received a copy of these materials in the mail or via email email SamuelBergsohn@yahoo.com.

Reunion Recap

Over Reunion weekend on June 7-9, 2024, the House hosted the usual festivities and the alumni showed up in force! We also hosted a celebration of the life of Brother Robert Schultz ('05), who entered Omega Charge in 2022. Robert's family dedicated significant funds to the Foundation so that Bob's memory might live on through his brothers. The Foundation hosted the Schultz family and the afternoon was very special. Here are some photos from the day.
